"Next in line BEMET!! – Insane players who bring the bass- to the next level!! "

- Mad Decent Label (Diplo)

"A truly special thing, one that is as fun and full of beauty as it is free thinking and utterly inspiring".

- Pop Lock

"Bemet are here to give us a blasting demonstration of how live, organic and visceral instruments can rock much harder than any laptop famous dj!"

- Tropical Bass Magazine

"Happy monday to everyone! Why not wake yourself up with this energetic number from Israeli project BEMET with a diverse set of musical influences with Hod Moshonov on the Nord Stage Classic among more."

- NORD KEYBORDS

"plunged into an overwhelming sound experience: BEMET, who are Amir Bresler (drums) and Hod Moshonov (keytar). Live improvisation with a compelling beat and transgalactic groove. To hear Bemet is to dance."

- Midnight East Magazine

Track of the month on Nova Radio:

This week's show is opening with BEMET once again, his album was ALBUM of the MONTH here and his track "Uber Dance" is the TRACK OF THE MONTH this month.

One of the most impressive albums and alloy of sounds, species and directions that I heard lately. For sure a Spring and 2015's delight.
